

黄と白のハート Yellow and White Hearts

黄色のハートと白のハートがあるように見えるが、近くで見ると同じ黄色で描かれている色の錯視。少し離れたところから見た方が効果大きい。

There appear to be yellow hearts and white hearts, though they are identical in color, both are yellow. The illusion becomes more apparent from a distance.

ガンガゼ Hatpin Urchin

放射状に描かれたウニの刺のような静止画が、錯視の効果で浮き出てくるようにガクガクと動いて見える。世界的なアーティストのCDデザインにも採用された作品。

Although a still image drawn with radial marks that represent the spine of a sea urchin, when viewed the lines seem to move in a chattering fashion due to the optical illusion of the piece. This image has been used as artwork for the CD of a world renowned music artist.
